Be sure and send your proxies into the POA soon so that we can have the needed representation to conduct our annual meeting. Rusty Johnson has taken Gary Sengbusch's place and Casey Moss will be the new member running for the Board. Our wonderful Treasurer, Paul Kronbergs, will run again because his term is up this year. He has been such an asset to our POA, but let us not forget to thank all the Board members, past and present, for their service to the community.

Remember to check the Ridge Harbor website to read all the latest minutes from the POA Board meetings...www.ridgeharbor.com. The website now has two new sponsors -

InteriorAustin - Ridge Harbor residents, Emily and Del Callman provide window treatments and sun shade products.

Laney Landscaping & Patios - Spencer Laney's company specializes in patios, pavers, and flagstone creations along with landscaping management, etc.

Please visit all our sponsors on the website and also check out the link to www.ridgeharborvision.com regarding future planning ideas for our community.

Alecia Ormsby, RH Property Owner, sent in the following regarding aging:

At some point, we will all be dealing with issues related to aging, if not with loved ones, then with our-

selves. For the past two months I have been working with a company called AtGuardianAngel whose mission is to help people Age in Place, that is, stay in the home for as long as possible. I am the editor of the four websites listed below and do some of the writing.

www.issueswithaging.com

www.issueswithalzheimers.com

www.issueswithdementia.com

www.issueswithcaregiving.com

Visit the websites, read the articles, subscribe to our newsletter and tell us what you think. Comments are always welcome! The blogsite, www.issueswith.com, features an excellent video of a young girl dealing with her mother's early onset Alzheimer's disease and is entertaining, yet sad. Please watch the short six minute film, and feel free to tell us what you think.

We now have a "famous" person in our midst-- **Wally Dobbs**. He is the subject of an article contained in a supplement (American Profile) that will go out to 10 million people this week. You can read about Wally Dobbs in an online version: <http://www.americanprofile.com/heroes/article/43481.html>

A paragraph in the article states, "Wally put Red River on the map," says Paulette Kiker, 45, a shopkeeper who was director of the town's Chamber of Commerce from 1989 to 1998. "He drove around in his funky truck inviting everybody to Red River, from the waitress serving him coffee to the driver filling up next to him at the gas station."

Go Wally!

Brett Weiss has invited you to the event 'Highway Cleanup" with Spicewood Lions Club! It's time for another Highway Clean up. We know that many of you are saying, "I really need to get some "Lion Time" in, this is your chance.

Time: January 8, 2011 from 9am to 11am

Location: Just west of the Exxon

Organized By: Brett Weiss

Event Description:

The highway right of way has been mowed and all of the trash is now visible. Of course, as the Super Heroes of Spicewood, it is our responsibility to make the community look great!

The last clean up only took a couple of hours because of the great turn out of volunteers. Lets do it again.

We wish you the very best of the
Christmas Season
with peace, love and laughter
keeping you company throughout the
holidays and next year.

Merry Christmas from Sherri Curry & John Spreen
